HOW TO USE THE CENTREX SYSTEM

OFF CAMPUS LOCAL CALL:

Listen to the dial tone, dial "9" and immediately dial the desired 7-digit number. (No waiting for a second dial tone.)

INCOMING CALLS:

Off-Campus callers dial the 7-digit number of your assigned telephone. Example: "454" and the assigned number.

TRANSFERRING INCOMING CALLS:

Depress the switchhook one time momentarily (automatically puts calling party on hold). Listen for 3 "zip" tones. Dial the 4-digit number to which call is being transferred and when called station answers announce that you are transferring a call, depress the switchhook once again to connect all three parties. You may either hang up or continue a three way conversation. (Note: Only one of the three parties may be outside the Centrex system.) Any of the three parties may hang up at any time without disturbing the call. To transfer a call back to the Centrex operator, depress the switchhook once, listen for three "zip" tones, then dial "0" and depress switchhook again, then give operator details of call. To make a conference call, dial 110 and give operator details of the call.

Discover the Caribbean with the ships that discovered the Caribbean.

The tall ships. Sleek sailing vessels out of another age. Ships which were the prized personal schooners of the millionaires Onassis, Vanderbilt and the Duke of Westminster.

Now, you can sail them through the mystical Caribbean. To well-known islands as Nassau, Antigua and St. Maarten. And to places the 12 story oceanliners never touch.

To magic islands with names like Saba, Carriacou, Anegada. Bligh's breadfruit isle. Stevenson's Treasure Island. They are all here, waiting to be discovered again. With unforgettable beaches, forgotten forts, hushed volcanoes, picturesque towns and our island friends.

Join us in your barefeet, bikinis, or shorts. Start off with your morning eye opening Bloody Mary or a hot steaming cup of coffee, and brace yourself for a day unlike any on earth. This is the sea.

A special place of rainbows, iridescent sunsets, living reefs, rainbow fish and pink and white sand beaches.

Now comes the night at sea. The silence broken by the throb of steel drums, merengue, calypso, reggae, all under an exotic Caribbean moon.

This is a Windjammer adventure like no other on earth. Join our voyage for 6 or 14 glorious, uncomplicated days aboard the tall ships. You can share for only \$400. Send the coupon for your free 'Great Adventure' booklet.

And get ready to put a lot of living in your life.

Break bread with a great bunch of guys and gals. Gorge yourself with hearty home cooked meals, washed down with evening wine.
